**Day 3:** This is a day for high adventure! Wake up early for an unforgettable day of white water rafting on the Pacuare, a challenging river with class three and four rapids. National Geographic lists this river as one of the top five most scenic raftable rivers in the world. A safe and very exciting experience!  
Remainder of the day at our ecolodge for more educational and recreational activities.

**Day 5:** This morning take your turn flying high through the forest canopy on ziplines! Walk through rivers and waterfalls as we admire stalactites, stalagmites and corals.

**Day 6:** Morning of free time to choose between optional activities such as horseback riding, hiking, or simply relaxing in the hot springs watching the volcano. In the afternoon pack up and depart for Puntarenas. Arrive later in the day and enjoy free time and shopping in Puntarenas and enjoying our beachfront hotel.

**Day 7:** Take a catamaran cruise to Tortuga Island. Enjoy the beautiful beach with optional activities such as snorkeling, kayaking or banana boats!
